

Dear Broker,

Are you confident that your healthcare audit recommendation is the best for your client for their second largest expenditure next to payroll? Healthcare Horizons provides tools that help brokers shine!

When recommending Healthcare Horizons to your clients, you can be confident that we put people and relationships first! We value our relationships and work hard to maintain lasting partnerships. We strive to be the most trusted, people-centered, and approachable expert healthcare claims recovery firm in the nation, focusing exclusively on self-insured employers. **It is what we do. It is all we do.** We recover more dollars for the clients' bottom lines with uncompromising accuracy, and handle all relationships with care. We walk with you and your client every step of the way.

Your personal guide to everything
Healthcare Horizons:

Gary Randal (Randy) King

Our 100% Difference looks at every claim, every possible error, recovering every possible dollar to keep your clients' healthcare expenses in check. There is never a benefit to wasting dollars on unwarranted healthcare expense. Errors happen. People are not perfect. **But the biggest error is ignoring what is left behind.** Healthcare Horizons makes it right for the employer, finding the source and correcting the problem. Healthcare Horizons expertise works to identify and correct systemic errors, leading to future savings.

We look forward to partnering with you and your clients.

Gratefully,

President
