## **A \$40 Fee to Hold Your Baby?**

By [Beverly Healey](#) in [Industry News](#)

Here is a link to a story about how one hospital charged a woman nearly \$40 to hold her baby after it was delivered.

<https://www.vox.com/2016/10/4/13160624/medical-bills-birth-delivery>

And here is a link to Steven Brill's article, "Bitter Pill: Why Medical Bills are Killing Us" from TIME magazine. This article, "The \$21,000 Heartburn Bill," discusses other outrageous charges.

<http://www.uta.edu/faculty/story/2311/Misc/2013,2,26,MedicalCostsDemandAndGreed.pdf>

These types of absurd charges are driving healthcare costs higher, especially for self-insured employers who are not auditing every claim.

Contact Healthcare Horizons today and let us help you achieve greater transparency and savings.
