We keep you informed and up-to-date throughout the audit process. We take special care to alert you so recovery decisions are made with an understanding of member impact.

TPA Relationships Respected

Healthcare Horizons works with your third-party administrator to identify errors, monitor collections and help negotiate direct credits or settlements.

Why Donuts?

Because relationships matter to us.

Our comprehensive audits provide maximum return on your investment. We do the work so you don't have to.

Give us 10 minutes to tell you how we can recover your money, and we'll treat your office to donuts!
